On the corner is a Lawson's convenience store with a low cost parking area in between Lawson's and the apartment building. The apartment building has wide steps leading up to the entry way. To get in you will most likely have to enter the apartment number "403" using the security box. The sale will start at 10:00AM.

The primary item which is **available for free is a large Sanyo refrigerator** which can be viewed along with images of other items in the PDF file downloadable at the link below. This refrigerator is currently being used until they close down the apartment later on this month. She is hoping that someone can use the refrigerator and arrange a date and time to pick it up on or after May 13th. Please contact the Hokkaido Insider if you would like to reserve the refrigerator or any other item shown that you wish to purchase and pick up on May 13.
